The Ulster Council of the Gaelic Athletic Association sponsors this course. The course takes place on the beautiful Ros Goill Peninsula in Donegal, and Comhairle Uladh provides a wide variety of facilities, and services **free of charge** to participating members. Do not miss this opportunity to enhance your knowledge and appreciation of our heritage.

The course caters strictly for adult learners over the age of 16.

There are three categories of participant:

- Fluent Irish speakers;
- Improvers or those with a little Irish;
- Beginners or those with little or no knowledge of the language.

Every effort is made to ensure that the course is both pleasant and inclusive. This is achieved by having classes for three levels of fluency in the language, by refined preparation for certain events, and by strategic translation and summarisation techniques together with the wholehearted participation of the course members in the delivery of the programme.

On behalf of the Ulster Council of the GAA, it is my great privilege as Uachtarán of Comhairle Uladh CLG to welcome you to the Irish language course

in the beautiful setting of Downings in county Donegal. It is a source of personal pride to me as President of the Ulster Council that we continue to promote our national language. I am delighted that we are assisting in giving the opportunity to members of our great association to either learn or to improve on the amount of Irish many of us may already have. Regardless of your current level of Irish, you will find a class that is suitable to your requirements as we cater for beginners, those with a little Irish or those who are relatively fluent in the language. I hope you will find the experience an enjoyable one and that you will remember the course with affection in the years ahead.
