

CUL CAMPS PROGRAMME 2020

With the current uncertainty arising from the restrictions imposed to limit the spread of Covid-19 it remains unclear whether there will be any Cúl Camp programme in summer 2020.

If restrictions are sufficiently relaxed to allow Cúl Camps to proceed it is likely that they programme will be much restricted by comparison with recent years. In any case a number of number of new regulations will apply:

- The Adult:Child Ratio at camps will not exceed 1:8;**
- All Coaches will be 18+ and subject to Garda Vetting and as a minimum, will have completed the GAA's child Protection and Foundation Coaching Course. Assistant coaches aged 16/17 may be utilized but are excluded from the 1:8 ratio;**
- All bookings will be done online, close 2 weeks before the camp commences and there will be no option for walk-ins.**

Is likely some additional regulations will apply to meet the Health and Safety requirements for curbing the spread of Covid-19.
