

Child Welfare and Protection - Vetting

The GAA has a long established principle of vetting any person who, on their behalf, works with children or vulnerable adults in our Association. This principle is enshrined in rule through our Code of Best Practice in Youth Sport and has become part of the overall recruitment and selection process for those who wish to work with us in the GAA, in a voluntary or paid role.

The Children's Officer in each club is responsible for ensuring that that any person who carries out a role of responsibility such as coaching, managing or training underage teams or indeed adult teams that contain any player under 18 yrs. of age must be vetted. This requirement for vetting also applies to those who organise underage activities or refereeing underage games.
