The crest of Donegal Academy is a shield-shaped emblem. At the top, a white banner contains the Gaelic motto "Dún na nGall" in black text. Below the banner, the shield features a central yellow shield with a red cross. A hand in a blue sleeve is shown holding the base of the cross. The background of the main shield consists of alternating wavy bands of green and orange. The entire crest is set against a green background.

Dún na nGall

A small white pentagon icon is positioned above the word "ACADEMY" in the main title.
